

Harper Chapel United Methodist Church
Highway 54
Osage Beach, Missouri 65065
(314) 348-2617

The left wing of the building is the original church built in 1912 (see inset). The right wing, built in 1962, is the sanctuary. In 1986 a fellowship hall was added to the original church. An addition was also added to the sanctuary.

Hello! We are in the "Lake of the Ozarks" area of mid-Missouri - lots of visitors, in the summer, visit our church - as it's right on the highway. My husband is pastor + we've lived here 11 months - Come Visit!
